Class Descriptions

CARDIO

BODYCOMBAT is an energetic programme inspired by mixed martial arts and draws from a wide array of disciplines such as karate, boxing, taekwondo, tai chi and muay thai.

BODYSTEP uses a height-adjustable step and simple movements on, over and around a step, as you get huge motivation from sing-a-long music and approachable instructors. Cardio blocks push fat burning systems into high gear followed by muscle conditioning tracks that shape and tone your body.

CARDIOBOX is a calorie burning workout, using focus mitts and kick shield that also combine skipping, core work and body resistance training. Please bring your own gloves for hygiene and safety reasons, hand wraps or cotton gloves recommended. Available in 55 minute and 30 minute EXPRESS formats.

TOTALBODY is a high energy freestyle cardiovascular class that builds strength and stamina. Catering for all fitness levels, it incorporates upper and lower body conditioning exercises. At times instructors will intensify the programme by giving you the option of adding a step.

GET ACTIVE CARDIO classes develop your strength, muscle tone and balance while increasing your fitness levels with light resistance and cardio. Although aimed at seniors, classes will be beneficial if you're recovering from injury or just starting your fitness journey.

MAX NRG is an intermediate/advanced fat burning workout that takes you through a variety of cardio and strength training exercises to maximise your calorie output. This circuit style class builds strength, endurance and stamina.
